When setting up your booth, be sure to make any part showing into your neighbor's booth look professional. **ANY UNFINISHED EXPOSED AREA MUST BE FINISHED.** You will be billed if Management has to order it done.

PROPER AISLE FLOW

MOVE-IN

GENERAL INFORMATION

Selected Dealers and/or Exhibitors may begin moving into the Dome on Tuesday, September 26, at 8:00 am (see schedule on page 6). All vehicles must be out of the building by 8:00 pm on Tuesday Night. Wednesday, September 27, is also a move-in day from 8:00 am to 8:00 pm. However, **all vehicles must be out of the building by 4:00 pm Wednesday afternoon**. No one will be allowed to enter the building after 8:00 pm during move-in.

NO VEHICLES WILL BE ALLOWED IN THE BUILDING AFTER 4:00 PM WEDNESDAY, SEPTEMBER 27, at which time the building will be swept and **AISLE CARPET WILL BE PUT DOWN**. It is mandatory that all packing cases be removed by this time. It is important you observe the “clean up” deadline as debris not ready for removal by this hour will be picked up at the Exhibitor’s expense.

The Show does not supply hand-trucks, carts, dollies, brooms, or vacuums. If you have an item of display requiring special handling due to size, weight, etc., contact the Show Decorator (see page 3). There is **no on-site storage** space available at the Tacoma Dome.

You are reminded that vehicles with **STUDDERED TIRES ARE NOT ALLOWED IN THE BUILDING.**

No pets are allowed in the building during move-in and move-out. City Ordinance prohibits pets being loose on the complex during show time unless they are part of a show display.

Do not bring children during move-in and move-out as you will be responsible if your children are injured or if they damage another person’s materials.

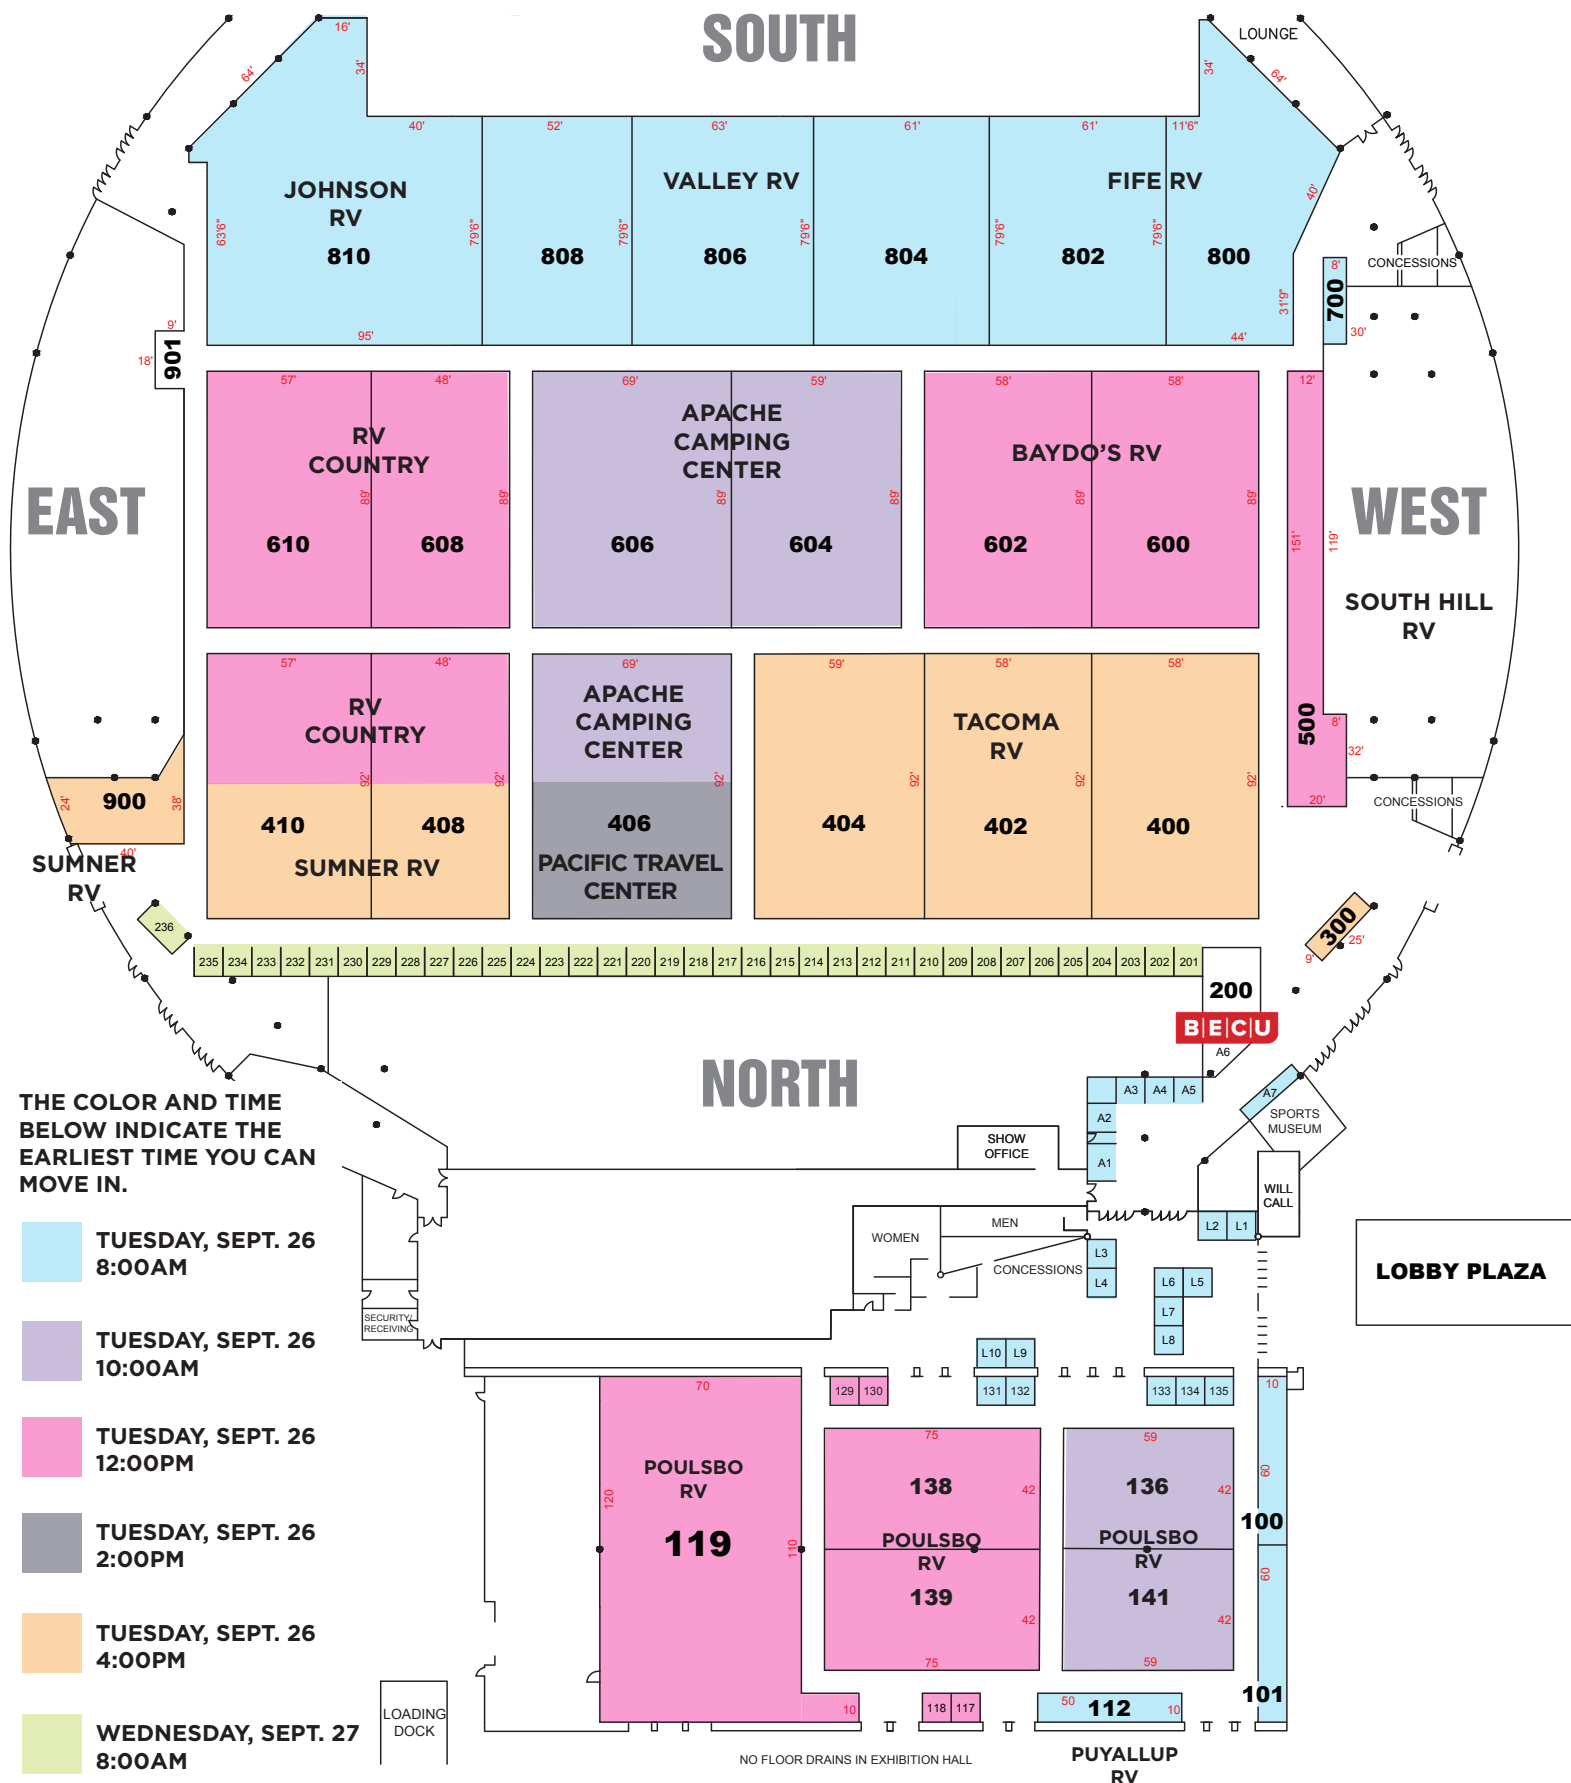

FORKLIFT SERVICES

O'Loughlin Trade Shows will provide forklifts for exhibitor use during move-in and move-out; however, due to insurance restrictions and the facility requirements, the exhibitor must provide their own certified driver.

TACOMA FALL RV SHOW®

SEPTEMBER 28 – OCTOBER 1, 2023

OPENING DAY

The building will be open at 8:00 am on Thursday, September 28, for Exhibitors. All items must be hand-carried or carted, as **no vehicles will be allowed in the building and no roll-up doors will be opened.**

Your display must be completed and in place by 8:00 am opening day of the show. If your exhibit is not ready, Show Management has the right to cancel your contract, resell your space, keep all monies paid and collect any unpaid balances.

The placing, moving, altering, or dismantling of exhibits after the official show opening, Thursday, September 28, will not be permitted without the permission of the Show Management.

NOTE: Exhibitor hours for the rest of the show are one hour before show opening. This will be strictly enforced unless you make prior arrangements with Show Management.

STORAGE

Exhibitors are expected to arrange for storage of empty crates at their own expense off premises. Fire Marshal Regulations prohibit the storage of boxes, crates, packing materials, etc., and not over one day's supply of literature in the Exhibitor's space. The Tacoma Dome does not have available storage space on site.

FIRE CODE REGULATIONS

1. All motorized units must have less than $\frac{1}{4}$ tank fuel while inside the building. The fuel cap must also be taped off.
2. There is no propane allowed in the building. Please make sure all tanks are disconnected and empty.
3. Fire Marshall WILL BE onsite during move-in to check these items.
4. Battery cables shall be disconnected and taped, or the cables or batteries removed.
5. Vehicles with battery cut-off switches, can have the switch in the off position, with the switch handle either removed or taped in the off position.

EXHIBITOR PASSES

EXHIBITOR ENTRY INTO BUILDING PRIOR TO SHOW OPENING

The Tacoma Dome and Show Office will open to Exhibitors one (1) hour prior to the daily public hours. Electrical power will be turned on at that time. If you have a circumstance that requires admittance at an earlier time, you must obtain special permission by stopping by the Show Office before closing the night before.

If you wish to come into the building prior to the public show hours, you must come through the Exhibitor's entrance, located at the northeast corner of the Arena, the Main Lobby, or 24-Hour Security, depending on which parking lot you use.

'MASTER' PASS

The Master Pass allows the Exhibitor to enter the building **ONCE EACH DAY**, and each pass is good for one person during the entire length of the show. The gate attendant will punch your pass when you enter the building. If you wish to leave the building and then return, have the door guard stamp your hand upon leaving. This stamp will be your re-entry pass.

If these passes are used by persons other than those immediately connected with the staffing of exhibits, they will be withdrawn. Master passes can only be left at Will Call for a one-time pickup, as they cannot be rotated. Will Call is strictly for "one time" entry passes. If this poses a problem, please come to the Show Office.

Your Master passes can be picked up at the Show Office during move-in. The person who picks up the passes will have to sign for them and will be responsible for distributing to appropriate show workers. **Passes will not be given out until the balance on your space is paid in full.**

The following number of passes will be issued:

Five (5) **MASTER PASSES** for the first 100 square feet of exhibit space.

One (1) additional **MASTER PASS** for each 100 square feet of exhibit space thereafter.

'SPECIAL GUEST' PASSES

This is a special pass available to the Exhibitor for use when an interested customer would like to return to your display to further discuss your products, services, etc. You can also purchase this pass for friends and family, as the Master Pass are for your workers only. Passes may be purchased at the Show Office anytime during move-in or show hours for a cost of \$5.00 each - **NO REFUNDS.**

MAP TO THE TACOMA DOME

FOOD SERVICE POLICY

The Tacoma Dome is a cashless venue. Exhibitors will be allowed to bring in their personal food items and beverages in non-descript packaging while working at the Tacoma Fall RV Show. Personal food items and personal beverages are defined as items that Exhibitors bring in with them for consumption in their Exhibitors space during the event. Exhibitors will be allowed to bring in small “lunch sacks” and small personal coolers (no larger than 12” x 12” in size). Exhibitors will not be allowed to bring in large coolers for their personal food/beverage items.

Exhibitors are not allowed to bring in “fast food” (i.e. Subway, Jack in the Box, etc.) or any restaurant food that they have purchased outside the Tacoma Dome in lieu of purchasing food at the facility. Pizza deliveries to the Tacoma Dome are prohibited in all cases. We understand the desire for Exhibitors to bring in their own food items, but that argument is lost if Exhibitors bring in other “restaurant type” food that they purchase outside the facility.

Exhibitors will be allowed to bring in an individual coffee or non-alcoholic beverage if they have one in their hands when they arrive at the facility.

As always, event attendees/patrons will not be allowed to bring in any food and/or beverages into the facility at any point in time during the event.
