

Manufacturer Incentives, New Floorplans and Hundreds of RV's Highlight 39th Annual Tacoma Fall RV Show®

Tacoma, WA – “There’s a sea of RV’s coming to this year’s Tacoma Fall RV Show presented by BECU”, said Bill O’Loughlin, show manager and President of O’Loughlin Trade Shows. The Tacoma Dome will play host to 15 local dealers and will be filled with hundreds of RV’s of all sizes and descriptions for sale September 28th – October 1st, 2023. It’s the largest RV fall sales event in Washington and last major RV show of the year!

O’Loughlin continued, “With every major category of RVing represented, this year’s show has a number of new models debuting at the show along with manufacturer incentives and late-season deals. This year’s show is a real sales opportunity for RV buyers.”

“These shows are the ultimate RV shopping and buying experience. It’s the only place you can shop over a dozen different RV dealers, in one place and hundreds of RV’s side-by-side. That means you can easily and comfortably shop and compare between different RV types or models to determine what’s best for you.”

BECU, the presenting sponsor of the show, has onsite financing for BECU members. BECU will be offering a special, show-only money-saving rate. BECU members can prequalify for a loan prior to the show or right at the show whatever their preference.

There’s 190 different brands coming to the Tacoma Fall RV Show and hundreds more models. RV’s of all sizes and descriptions are represented including Class A, B and C motorhomes, travel trailers from under 10’ to over 40’, campers, toy haulers, fifth wheels, destination models and overlanding rigs.
