FOR IMMEDIATE RELEASE

38TH ANNUAL TACOMA FALL RV SHOW® PROMISES HUGE INVENTORY, VARIETY AND SELECTION

Tacoma, WA – After a two-year hiatus, the Tacoma Fall RV Show presented by BECU is back! The Tacoma Dome will be filled with hundreds of RV's of all sizes and descriptions for sale October 6-9, 2022, it's by far the largest RV fall sales event in Washington!

"We couldn't be happier to be back to the Tacoma Dome as the Tacoma Fall RV Show enters its 38th year", said Bill O'Loughlin, President of O'Loughlin Trade Shows. "Dealer inventories are refreshed so RV buyers will have plenty to shop, side-by-side all in one place and in the comfort of the Tacoma Dome...it's the ultimate RV shopping experience."

With more than a dozen dealers participating, nearly every class of RV will be represented with multiple choices in each RV category.

BECU has onsite financing for BECU members. BECU will be offering a special, show-only money-saving rate. BECU members can prequalify for a loan prior to the show or right at the show whatever their preference.

O'Loughlin continued, "Up until just a few months ago, dealer inventories were pretty thin. COVID disrupted production as demand outpaced supply leaving long wait times for ordered RV's. Manufacturers responded by hiring more workforce to meet the demand and have finally caught up. That means you'll see more travel trailers, motorhomes, toy haulers, campers and fifth wheels at this show than have been available for more than two years."

The overlanding craze has hit Washington hard with more and more venturing off-road and into areas that demand a sturdy, off-road grade of RV. Overlanders will find the Tacoma Fall RV Show has embraced this nomadic urge with travel trailers and vans expressly designed for off-road use.

Today's RV's are truly your home-away-from-home. Some are light enough to pull with a car, others, like the big diesel powered Class A motorhomes, are a home on the road with all the amenities and features you'd find in any house. No matter the budget or application there's an RV for every taste at this year's Tacoma Fall RV Show.

Don't miss the RV support businesses in the smaller booths in Tacoma Dome. From hitches and RV accessories to service businesses, they're at the show to answer your questions and deliver any assistance you may need for your RV.

There's a \$2 off admission discount coupon available online at the show's website, **TacomaFallRVShow.com**, that can be used when purchasing tickets at the gate. BECU members get half off their admission when they show their membership card or BECU credit card. There's also a half price military discount for \$7.50 with any valid military I.D.
